

# CURRENCY AWARDS 2016

## Trade Finance Global

Trade Finance Global Currency awards are totally independent. They are presented in the first quarter of each year, recognising companies in the currency / FX space for being leaders in the space, driving directly and indirectly the trade

finance sector, be that currency solutions, FX providers, currency information or insurance companies.

Winning a TFG award is certainly something to shout about and winners often incorporate the

awards logos as part of their email, marketing and promotional campaigns.

The TFG awards logo is a frequently used badge of excellence in both the intermediary (B2B) and direct (B2C) markets.
