

# RECRUITMENT AWARDS 2016

## Trade Finance Global

Trade Finance Global Recruitment awards are totally independent. They are presented in the first quarter of each year, recognising recruiters for being leaders in the space and driving recruitment and talent directly and indirectly in

the trade finance sector, be that commodities recruitment, banking and financial services recruitment or transport and logistics recruitment.

Winning a TFG award is certainly something to shout about and winners

often incorporate the awards logos as part of their email, marketing and promotional campaigns.

The TFG awards logo is a frequently used badge of excellence in both the intermediary (B2B) and direct (B2C) markets.
