

SHIPPING AWARDS 2016

Trade Finance Global

Trade Finance Global Shipping Awards are totally independent. They are presented each year, recognising outstanding companies in the shipping, maritime, transport and logistics sector for being leaders and pioneers in their

respective space, driving innovation and contributing to international trade.

Winning a TFG award is certainly something to shout about and winners often incorporate the awards logos as part of

their email, marketing and promotional campaigns.

The TFG awards logo is a frequently used badge of excellence in both the intermediary (B2B) and direct (B2C) markets.
