## What Happened?

MW Beer & Co was provided with a supplier finance facility (trade facility) to leverage cash flow and finance shipments directly to its customers, giving the funder the opportunity to assist with growth and work with multiple suppliers.

The facility is an increased trading line and sits in addition to MW Beer & Co's facility with a large high street bank. ■

## TRADE FINANCE GLOBAL

“Supporting a family-run business with a strong business model and credible trading facility was key and allowing them to strengthen relationships with suppliers, should allow the company to scale with this new line of business”.

Mark Abrams

Head of Trade Finance, TFG

## MW BEER & CO

“[The Funder] has enabled us to increase our trade finance in areas where our regular bank line could not.”

Martin Beer

CEO, MW Beer & Co
